EPA is committed to working closely with response agencies and state and local officials to ensure the safety of citizens, respond to concerns and to evaluate impact to water contaminated by the Gold King Mine Release. EPA is sharing information as quickly as possible with the public as experts work to evaluate any effects the spill may have on drinking water, public health, agriculture, fish and wildlife.

Please see our website for the latest information: <http://www2.epa.gov/goldkingmine>

Regular updates will be posted as they are available.

EPA Hotline: 844-607-9700

**Subject:** GOLD KING MINE Hazardous Response Team Contractor

Good Day,

I was given your email to get our information on the contractor list for the cleanup work that will be required for the Gold King Mine issue. Please let me know where and who to send our information and lists of abilities.

Regards,
